

Kansas Forest Service

Selection guide for conservation seedlings

Spring 2024

Sale Season Jan. 5 – May 1

Order online: kansasforests.org or by phone: 1-888-740-8733

Bare-Root Shrubs		
Item	No. in Unit	Cost/ Unit
American Plum	25	\$35
Buffaloberry	25	\$35
Buttonbush	25	\$35
Chokecherry	25	\$35
Common Ninebark	25	\$35
Elderberry	25	\$35
False Indigo	25	\$35
Fragrant Sumac	25	\$35
Golden Currant	25	\$35
* Lilac	25	\$35
Peking Cotoneaster	25	\$35
Sandhill Plum	25	\$35
Serviceberry	25	\$35

Bare-Root Evergreen Trees		
Item	No. in Unit	Cost/ Unit
* Arborvitae	25	\$35
Black Hills Spruce	25	\$35
Eastern Redcedar	25	\$35
Eastern White Pine	25	\$35
Pitch Loblolly Pine	25	\$35
Ponderosa Pine	25	\$35
Rocky Mountain Juniper	25	\$35
Southwestern White Pine	25	\$35

Bare-Root Deciduous Trees		
Item	No. in Unit	Cost/ Unit
Baldcypress	25	\$35
Black Oak	25	\$35
Black Walnut	25	\$35
Bur Oak	25	\$35
Chinkapin Oak	25	\$35
Cottonwood	25	\$35
Hackberry	25	\$35
Kentucky Coffeetree	25	\$35
* Lacebark Elm	25	\$35
Northern Red Oak	25	\$35
Osage Orange	25	\$35
Pawpaw	25	\$35
Pecan	25	\$35
Persimmon	25	\$35
Pin Oak	25	\$35
Post Oak	25	\$35
Red Mulberry	25	\$35
Redbud	25	\$35
Shellbark Hickory	25	\$35
Shumard Oak	25	\$35
Silver Maple	25	\$35
Swamp White Oak	25	\$35
Sycamore	25	\$35
White Oak	25	\$35

* *Nonnative to the United States. Should not be used in wetland or stream mitigation practices.*

These seedlings are for conservation use only and may not be used for landscape plantings or resold as live plants.

Container-Grown Evergreen Trees*		
Item	No. in Unit	Cost/Unit
* Arborvitae	25	\$65
Black Hills Spruce	25	\$65
Colorado Blue Spruce	25	\$65
Eastern Redcedar	25	\$65
Eastern White Pine	25	\$65
Ponderosa Pine	25	\$65
Rocky Mountain Juniper	25	\$65
Southwestern White Pine	25	\$65

* Containers measure 2 inches across by 7 inches deep.

Stratified Seeds		
Black Walnut	100	\$15
Bur Oak	100	\$15
Northern Red Oak	100	\$15
Pecan	100	\$15

Cuttings		
Sandbar Willow	25	\$30

* *Nonnative to the United States. Should not be used in wetland or stream mitigation practices.*

Bundles

Item	No. in Unit	Cost/Unit
 Eastern Pollinator Bundle	30	\$45

This bundle contains seven tree/shrub species suitable for planting in eastern Kansas including: 5 American plum, 5 chokecherry, 5 golden currant, 3 false indigo, 5 elderberry, 3 buttonbush, and 4 eastern redbud. These shrub and small-tree species provide food to pollinating insects during the spring, summer, and fall. Shrubs also provide shelter from wind for pollinators and nesting materials for native bees.

 Western Pollinator Bundle	25	\$38
--	----	------

This bundle contains five species suitable for planting in western Kansas. The species in this bundle have exceptional drought tolerance and can handle the dry conditions in the western part of the state. The bundle includes 5 Sandhill plum, 5 chokecherry, 5 golden currant, 5 false indigo, and 5 fragrant sumac. These shrub species provide food to pollinating insects primarily during the spring and summer months.

 Pheasant Bundle	100	\$115
--	-----	-------

This bundle consists of four shrub species native to Kansas. The shrubs include: 25 Sandhill plum, 25 fragrant sumac, 25 golden currant, and 25 chokecherry. These seedlings create thickets where pheasants can escape predators, survive harsh weather, find food, and travel safely.

 Quail Bundle	100	\$115
---	-----	-------

This bundle consists of four shrub species native to Kansas. The shrubs include: 25 American plum, 25 fragrant sumac, 25 golden currant, and 25 chokecherry. These seedlings create “covey headquarters” where quail can escape predators, survive harsh weather, find food, and travel safely.

 *Indicates plant species of particular importance for supporting butterflies, moths, bees, or other insect pollinators as nectar sources or larval host plants.*

Non-plant Items

Item	No. in Unit	Cost/Unit
Marking Flags	100	\$17
100 plastic flags on 30-inch wire stakes for marking seedling location.		
Rabbit Protective Tubes	25	\$22
25 rigid tubes (extruded in a diamond mesh pattern to form a column) approximately 4" × 18", the tubes have an approximate 3-year life span, and are used to protect seedlings from rabbit damage. Includes 25, 2' bamboo stakes. Although used successfully on many plantings, occasionally various wildlife will pull out the stakes or chew on the tubes or stakes.		
Root Protective Slurry	8 ounces	\$12
8 ounces of a water-absorbing polymer for use as a root dip to protect roots from drying. Treats approximately 300 seedlings. Especially recommended for bare-root evergreen seedlings.		
Tree Tubes – 5'	5	\$38
5 translucent polyethylene vented tubes that are 60" tall and approximately 4" wide. They are designed to protect deciduous trees (not evergreens or shrubs) from deer damage and promote faster growth. Includes 5 oak stakes that are 72" tall and zip ties to anchor the tube. Blue birds can enter the tops of the tubes and become stuck, so it is recommended to cover the tops with cheesecloth or another vented material to restrict top entry.		
Tree Tube Extensions – 12"	5	\$15
Tree tube extensions are an effective method to add height to existing 5' tree tubes for areas with a heavy deer population. Includes 5 bamboo stakes (30") and zip ties to anchor the tube.		
Weed Barrier Fabric and Pins	25	\$65
25 pieces of 4' × 4' polypropylene geotextile fabric guaranteed 5 years against ultraviolet deterioration. Welded seams to resist raveling. Used to conserve soil moisture and greatly reduce labor required in weed control. Includes 150 pins for securing fabric squares to the ground around individual plants.		
Additional Weed Barrier Pins	150	\$28
Wire staples, 11 gauge, 8" × 2" for holding weed barrier fabric to the ground.		

Inventory Updated DailyCheck it out at kansasforests.org**Earliest Ship Date:** Approximately March 11, 2024

Date may vary due to weather conditions

Last Ship Date: May 1, 2024**Ship Days:** Monday, Tuesday, and Wednesday**Pick Up:** Fridays only

Please specify preferred shipping or pick-up date when ordering.

Shipping fees are calculated by total weight of order and charged per current UPS Rates.
