

# SUMMER EMPLOYMENT OPPORTUNITY KANSAS FOREST SERVICE, KSU

## Tree Inventory Crews

- May 18th - August 1st
- Salary: **\$12/hour**, 40 hours/week.
- Some overnight travel. Lodging and meals paid for by Kansas Forest Service.
- Willingness to work outdoors in summer weather conditions.
- Training and transportation provided. Valid drivers license required
- Applicants must provide resume to Kansas Forest Service by **March 31st**.

The Kansas Forest Service is conducting a state-wide inventory of windbreak and shelterbelts. Four people will be hired to work in 2 - person crews to measure 200, plots. Employees will be trained to use maps and GPS units for plot location. Knowledge of tree identification is necessary. Employees will receive training in tree identification and tree measurement. Data will be entered into hand-held data recorders and down loaded into PCs.

The inventory is part of the Great Plains Tree and Forest Invasives Initiative to collect information about ash trees and related resources of the Great Plains in an attempt to minimize the impact and introduction of Emerald Ash Borer to Kansas.
