

Kansas Walnut Council Field Day

Saturday, June 16th

K-State Pecan Experiment Field

Directions: 2.5 miles east of Chetopa, KS on US HWY 166
and 3/4 south on 120th Road.

9 AM - Noon - Lunch Provided!

This year's field day is held in conjunction with the Oklahoma Pecan Growers Annual Conference and Trade Show and features a tour of the Pecan Experiment Field. Instructions will be provided on the successful establishment and management of pecan plantations by Dr. Bill Reid, K-State pecan specialist and Director of the Pecan Experiment Field.

Registration: Call Kansas Forest Service at 785-532-3300 or e-mail: atchison@ksu.edu

There is no registration fee, but registration is required so we can provide an accurate count for lunch.
